

Project Management Professional Exam Prep

Business Excellence Institute

BUSINESS EXCELLENCE INSTITUTE PVT LTD

Program Overview:

This is a preparatory program for Project Management Professional (PMP) Certification designed to be 100% Pass Guarantee with above 80% scoring to lead the participants to an internationally recognized Certification from the Project Management Institute (PMI®), USA. The PMP designation following your name tells current and potential employers that you have demonstrated a solid foundation of knowledge from which you can competently practice project management.

This Program will offer 40 hours of Professional Project Management training and directly fulfills the PMI requirement of 35 PDU's which a PMP aspirant needs to have, before applying for the PMP® Certification examination. In addition to helping the participants with this mandatory prerequisite for the PMP® examination, the program also aims to train the participants to be effective Project Managers and equip them with sound project management concepts, methods, and tools to improve their project management Performance.

PMP® Exam Eligibility criteria

Category 1

The candidate should have a bachelor's degree and will need 4500 hours of experience in project management Related activities over 36 months (3+ years of experience). The candidate does not need the title of project manager to have the experience count, but instead must have worked in the project management processes of initiation, planning, execution, controlling and closing with identified deliverables.

Category 2
